(COMMENCEMENT NOTICE / 7 DAY NOTICE)

ACEI / EI - BCR 1401

BUILDING CONTROL AUTHORITY : _____

PRE-VALIDATION REF NO. : _____

1. This certificate relates to the following Building Works:

_____ (project name)

at _____ (address)

2. This certificate has been prepared in accordance with the Code of Practice for Inspecting and Certifying Buildings and Works [as published by the Minister under section 3(7) of the Building Control Act 1990] or equivalent.
3. We confirm that we have been commissioned by _____ (insert as appropriate) to provide professional design services in accordance with our Conditions of Engagement to carry out the _____ (insert as appropriate) design and/or specification of certain elements of the works, being those elements covered by our plans and specifications included in the documentation accompanying the Commencement / 7 Day Notice, and to certify our design. Our design has been carried out by or under the supervision and direction of Chartered Engineer(s) named on a register maintained pursuant to Section 7 of the Institution of Civil Engineers of Ireland (Charter Amendment) Act 1969, who are competent to carry out our design.
4. We confirm that our plans, calculations, specifications and particulars included in the Schedule to the Commencement/ 7 Day Notice to which this certificate is relevant, and which have been prepared exercising reasonable skill, care and diligence, have been prepared to demonstrate compliance with the requirements of the Second Schedule of the Building Regulations in so far as they apply to the building works concerned.
5. Under our Conditions of Engagement we are responsible for co-ordinating and integrating within our overall design of designated elements of the works the design of such parts of the works as will be designed to the requirements of our performance specifications by specialist suppliers and/or sub-contractors and our certification is contingent on the design of such parts and proprietary products being in compliance with the requirements of our performance specifications and of the Second Schedule to the Building Regulations insofar as they apply to the elements concerned.
6. We certify, having exercised reasonable skill, care and diligence that, having regard to plans, calculations, and specifications which have been prepared by us and having relied on ancillary certificates and particulars referred to at 4 and 5 above, our proposed design of those elements of the works for which we are responsible to the owner is in compliance with the requirements of the Second Schedule to the Building Regulations insofar as they apply to the elements concerned.
