

Personal contact details and Professional summary	
<b>Name</b>	Salutation: Mr. First name: Gareth Family name: McElhinney Post-nominals: BE (Civil), Diploma in Environmental Sustainability, CEng MIEI, PMI-PMP.
<b>Address</b>	Address Line 1: RPS Address Line 2: Lyrr 2 Address Line 3: IDA Business & Technology Park Address Line 4: Mervue Address Line 5: Galway
<b>Contact details</b>	Landline telephone: +353 (0)91 400 200 Mobile phone: Email: <a href="mailto:gareth.mcelhinney@rpsgroup.com">gareth.mcelhinney@rpsgroup.com</a> Website (optional): <a href="http://www.rpsgroup.com">www.rpsgroup.com</a>
<b>Qualifications</b>	<i>BE Civil (Hons)</i> <i>Specialist Diploma in Environmental Sustainability (Hons);</i> <i>Chartered Engineer,</i> <i>Project Management Professional (PMP)</i>
<b>Career history</b>	<p>I am a Chartered Engineer and certified Project Management Professional (PMP) with over 14 years experience in environmental and infrastructure engineering projects including project management, environmental assessment, planning, site supervision, licensing and waste management planning.</p> <p>I have experience in engaging with stakeholders, NGOs and, in particular, government bodies and state agencies through my work with various local authorities, the Marine Institute and DECLG. I have carried out risk assessments on aspects of projects which included risk identification and the development of risk registers/matrices.</p>
<b>Relevant project experience</b>	<p><b>EPA Framework Projects on ELRA and CRAMP (EPA)</b> – I am the assistant project manager on a framework of projects being commissioned by the EPA to review ELRA and CRAMP related issues including a review of the 2006 Guidance document on ELRA, Residuals Management Plans and Financial Provision.</p> <p><b>Southpark Remediation Masterplan Project (Galway City Council)</b> – I am the assistant project manager and designer on the remediation of contaminated land at Southpark in Galway City and the development of a masterplan for the area.</p> <p><b>Gortadroma Landfill (Limerick County Council)</b> – I have worked on various projects related to the development of Gortadroma Landfill including landfill design, EIA, landfill remediation, landfill gas management, landfill gas utilisation, leachate management and AER. I supervised two capping contracts and the construction of three landfill cells at the landfill.</p> <p><b>Corranure Landfill (Cavan County Council)</b> – Landfill remediation and capping project including landfill gas management system design.</p> <p><b>Scotch Corner Landfill (Monaghan County Council)</b> – I was involved in assisting Monaghan County Council determine the potential market opportunities with regard to the landfill.</p>

**M8 Motorway (Scotland)** – Tender stage review of soil sample analyses to determine nature and extent of contamination in soil at various sites along the proposed development route.

**Kyletalesha Landfill (Laois County Council)** – I was involved in the detailed design of the landfill gas management system, procurement and site supervision. I was also involved in the construction supervision of the recycling centre at the landfill which was constructed over an area of historical dumping.

**Ballyogan Landfill Gas Management System (South Dublin County Council)** – I was the designer of the landfill gas management system for the remediation of Ballyogan landfill including capping works on-site.

**Fingal Landfill PPP (Fingal County Council)** - I was a key member in the project team for the preliminary design of the proposed Fingal Landfill including PPP Contract Documents. The project included an area of historical, unregulated dumping.

**Specific areas of expertise**

- Project management;
- Landfill engineering including design, remediation, construction, procurement, administration and supervision;
- Environmental and risk management;
- Environmental impact assessment.

**Declaration:** *I accept responsibility for the accuracy of the particulars contained in this form including my qualifications and I agree that, when submitted, its contents will be made available on the Engineers Ireland website [www.engineersireland.ie](http://www.engineersireland.ie)*

I agree to the declaration above
