DELIVERING PROJECT RESULTS: CHANGE MANAGEMENT WORKSHOP FOR PROJECT MANAGERS

Prosci®

This results-oriented, half-day workshop enables project managers to integrate change management into active projects, a practice that is key in delivering enhanced results. Project leaders will leave with an understanding of the importance of change management in meeting project objectives and with a common language for change.

WHO IS THIS COURSE FOR?

- Project managers
- Intact project teams
- Project team members

LEARNING OBJECTIVES

During the Change Management Workshop, participants will:

- Create a common framework for engaging with change management practitioners
- Learn to identify when their project needs change management
- Map change management work to their project using the Prosci Change Management Blueprint
- Understand how change management supports the adoption and usage of change initiatives
- Understand the connection between employee adoption and project results and outcomes
- Identify impacted employee groups
