EngineersWeek

Volunteer Day

National Volunteer Day aims to -

- Increase awareness of the engineering profession among primary and post-primary students.
 - Highlight the importance of mathematics in the engineering profession by working through a fun and interesting maths activity sheet in your local school.
-

How to get involved?

STEP 1

- Choose to visit either a primary and/or post-primary school in your local area.
- Contact the career guidance counsellor or principal and schedule your visit to take place on Thursday, 11th February 2010.
- Email the STEPS to engineering team with the name of the school you plan to visit.

STEP 2

- Download the primary and/or post-primary activity sheet from www.engineersweek.ie.
- View the online tutorial on Engineers Ireland TV (www.engineersireland.ie) which will be available in late January 2010.

STEP 3

- Confirm your visit with the school a week prior to the 11th February 2010.

STEP 4

- Enjoy, and let STEPS to engineering know how you get on!
