Statement of Accountability

I hereby agree to be held individually responsible for my actions, both through requirements imposed by the Institution of Engineers of Ireland or any other licensing or registering authority in the economies in which I practise and through legal processes.

I further authorise the signatory organisation of the Engineers' Mobility Forum to exchange such personal and other data as may be necessary to ensure that the application of a sanction or penalty in any economy in which I am registered or licensed to practise will be taken into account in deciding upon my continued designation and will be appropriately recorded in the Register
